

## TOOL TRAY

The tool tray for the vertical mast lift has been designed to keep your tools and components within arm's reach.

It is ideal for maintenance activities in environments such as factories, retail outlets, distribution centres, theatres, airports, entertainment facilities and more.

### TRAY POSITIONS

| Use only on listed models           | VERTICAL MAST LIFTS           |                            |                              |
