

TOOL TRAY

Designed, tested, and certified by Skyjack

The tool tray for the vertical mast lift has been designed to keep your tools and components within arm's reach. Ideal for maintenance activities in environments such as factories, retail outlets, distribution centers, theaters, airports, entertainment facilities and more.

Model	SJ12	SJ16
Rated work load on tool tray	23 kg	
Total rated work load including load on tool tray	227 kg 1 Person	

Having equipment with features and functions that allow you and your customers to do more is a vital part of a rental company's utilization equation. Skyjack offers a range of accessory products to further expand a given product's adaptability and your power to offer a truly flexible rental choice. Accessoryzers™ is a Skyjack brand which covers factory certified attachments, options and accessories. These are developed, designed, and tested to provide increases in productivity, improved working conditions and minimal manual work.
